Chapter One

INTRODUCTION

The Constitution of India has enshrined the principles of democracy, by guaranteeing to its citizens certain Fundamental Rights. Article 19(1)(a) and Article 21 of the Constitution of India, by implication, guarantee to the citizens of India the right to know everything done by public functionaries.

The Mizoram Information Commission (MIC) was established on June 29, 2006 under the Right to Information Act, 2005 (RTI Act). The RTI Act provides for setting up a practical regime of Right to Information for citizens to secure the right to access information held by or under the control of Public Authorities (PAs). The legislative intent behind the enactment of the RTI Act is to foster transparency and accountability in the working of every Public Authority (PA), bridge the gap between the information provider and the information seeker, enhance efficiency in administration of PAs, mitigate corruption and promote good governance.

Salient Features of the Act

i. Public Authority

As per Section 2(h) of the RTI Act, a 'Public Authority' means any authority or body or institution of self-government established or constituted by or under the Constitution, any other law made by the Parliament, any other law made by the State Legislature and notification issued or order made by the appropriate government. It includes any 'body' owned, controlled or substantially financed and non-government organizations substantially financed directly or indirectly by funds provided by the appropriate government.

ii. Right to Information

As per Section 2(j) of the RTI Act, 2005, the 'Right to Information' means the rights of a citizen to seek any information accessible under this Act, which is held by or under control of any PA and includes the right to inspection of work, documents, records which includes any document, manuscript and file and any electronic records and take notes, extracts or certified copies of documents or records, take certified samples of material and obtain information as stored in form of diskettes, floppies, tapes, video cassettes or any electronic mode or through printouts where such information is stored in a computer or in any other device.

iii. Exemption from Disclosure of Information

No right is unfettered and therefore while promoting institutional integrity and transparency, Sections 8, 9, 10, 11 and 24 of the RTI Act enlist exemptions/ limitations on disclosure of certain information. Essentially, as per the RTI Act such information is exempted from disclosure which affect the sovereignty and integrity of the country in a prejudicial manner and also its security, strategic, scientific or economic interests, commercial confidence, trade secrets, or intellectual property, information causing breach of privilege of Parliament or the State Legislature, information forbidden to be published by any court of law etc. It also includes provisions for protecting the privacy of an individual. Furthermore, certain intelligence and security organizations have been exempted from disclosure of information, except information pertaining to allegations of corruption and human rights violations. Moreover, wherever the competent authority feels that larger public interest warrants disclosure, the information may be provided.

iv. Suo Motu Disclosure

Section 4 of the Act provides for obligations of PAs regarding mandatory disclosure on various aspects of structure and functioning of PAs and requires that they make suo-motu disclosure in public interest through various means of communication. This is an essential ingredient for broadening and deepening of the transparency regime brought into being by the RTI Act. This Section also emphasizes the need for using electronic means for record upkeep, management and dissemination of information in order to make information easily accessible. Indeed, a robust record management is at the very heart of a transparency regime.

v. Three-Tier System

The Act has a provision of a three-tier structure for enforcing the right to information. The First tier is State Public Information Officer/State Assistant Public Information Officer (SPIO/SAPIO) in a PA designated under section 5 of the RTI Act. The SPIO/SAPIO is required to provide information to an RTI applicant as expeditiously as possible and in any case within 30 days of the receipt of a request as per section 7 of RTI Act, unless it is exempted from disclosure or relates to a third party or held by another PA, in that case it should be transferred to that PA within five days of the receipt of the application as per section 6 (3) of RTI Act.

The Second tier is designated as the First Appellate Authority (FAA). As per the mandate of the RTI Act, an RTI applicant who does not get the required information within the specified time or is aggrieved by the decision of SPIO may, within thirty days, can address/prefer his first appeal to an officer senior in rank to SPIO in each PA.

Together, the SPIO and the FAA constitute the cutting edge of this 'practical regime of right to information' as envisaged in the preamble of the Right to Information Act.

At the third tier, the State Information Commission has been established as the apex appellate authority under the RTI Act 2005. An information seeker can file a second appeal before the State Information Commission against the order of FAA, if he is not satisfied or does not receive an order from FAA within the specified time as per section 19 (3) of the RTI Act.

vi. Complaint

A complaint can also be filed before the State Information Commission, in certain circumstances as enshrined in Section 18 of the RTI Act, for reasons such as (i) where the PA has not appointed an SPIO or (ii) the SPIO has refused to accept an RTI application, or (iii) the SPIO has not given a response within the specified time limit or (iv) the SPIO has given incomplete, misleading or false information or (v) where unreasonable fee has been demanded by SPIO, etc.

vii. Powers & Function of the State Information Commission

The RTI Act, 2005 Sections 18, 19 and 20, prescribe the powers and functions of the State Information Commission in dealing with complaints, appeals and penalties, respectively.

viii. Preparation of Annual Report

As per section 25 of the RTI Act, the State Information Commission is required to prepare an Annual Report after the end of each year on the implementation of the provisions of the Act during that year which is to be forwarded to the appropriate Government, which, in turn, is required to lay the report before the Legislative Assembly.

ix. Section 25

Various clauses under section 25 deal with preparation of the Annual Report and submission of information to the Commission by the PAs for preparation of the Annual Reports, prescribing the contents of the Annual Report as well as bestowing power on the Commission to make recommendations to the PA so as to bring practices of the PA in consonance with the provisions and the spirit of the RTI Act. As per section 25(3), each report shall state in respect of the year to which the report relates: -

- a) the number of requests made to each PA;
- b) the number of decisions where applicants were not entitled to access the documents pursuant to the requests, the provisions of this Act under which

these decisions were made and the number of times such provisions were invoked;

- c) the number of appeals referred to the Central Information Commission or State Information Commission, as the case may be, for review, the nature of the appeals and the outcome of the appeals;
- d) particulars of any disciplinary action taken against any officer in respect of the administration of this Act;
- e) the number of charges collected by each PA under this Act;
- f) any facts which indicate an effort by the PAs to administer and implement the spirit and intention of this Act;
- g) Recommendations for reform, including recommendations in respect of the particular public authorities, for the development, improvement, modernization, reform or amendment to this Act or other legislation or common law or any other matter relevant for operationalizing the right to access information.

Further, as per section 25(5), if it appears to State Information Commission that the practice of a public authority in relation to the exercise of its functions under this Act does not conform with the provisions or spirit of this Act, it may give to the authority a recommendation specifying the steps which ought in its opinion to be taken for promoting such conformity.

The Annual Report of the Commission is based on the inputs received from the PAs on the implementation of the Act.

IMPORTANT OFFICE ORDERS & MEMORANDA

OFFICE MEMORANDUM

Subject: Guidelines to be followed by all the public authorities with regard to RTI applications received and for timely updation of the details of DAAs, SPIOs and SAPIOs.

The Government of Mizoram in collaboration with Mizoram Information Commission has been taking necessary steps for implementation of Mizoram RTI Online and in order to ensure smooth functioning of the portal, the following points are to be complied with by all the public authorities: -

1. Designation of DAAs, SPIOs and SAPIOs should be made by names of the officers and not by the posts they hold as responsibility for providing information lies with the officers so appointed.
2. (i) Appointment orders of DAAs, SPIOs and SAPIOs should include contact numbers, i.e. mobile numbers and email addresses of the officials and all such appointment orders should be made afresh by all the public authorities for the smooth implementation of the Mizoram RTI Online. The same should be submitted to Mizoram Information Commission at the earliest. Henceforth, this should be strictly adhered to by all the public authorities.
(ii) When a designated DAA, SPIO or SAPIO moves on transfer, a replacement officer shall be appointed in his/her place before the officer hands over charge.
3. When on leave or tour, entrust other officer (in writing). For any applications received during the time, the entrusted officer shall act as SPIO or SAPIO as the case may be. If such arrangement is not done, the designated SPIO or SAPIO shall be held responsible for any delays in providing information.
4. An SPIO or SAPIO cannot refuse an RTI application.
5. Counting of time limit in providing information starts from the date of receipt of the application and not from the date when it was written.
6. Both working and non-working days (holiday) are counted within the time limits.
7. An SPIO is not required to wait for the time limit of 30 (thirty) days to complete for providing the information, if the information is readily available.

8. An applicant making request for information shall not be required to give any reason for requesting the information or any other personal details except those that may be necessary for contacting him/her.
9. If the request is for voluminous information, the applicant may be invited to inspect the required documents or files.
10. The SPIO is required to supply the 'material' in the form as held by the public authority and is not required to do research or deduce some conclusion from the 'material' and supply the 'conclusion' so deduced to the applicant.
11. Third party must be given a chance to make a representation before the SPIO within 10 (ten) days of receiving the notice.
12. Request for information shall be deemed to have been refused by the SPIO, if decision on the request for information is not given within the period specified which may invite penalty on the SPIO.

This is issued with the approval of the Chief Information Commissioner, Mizoram Information Commission on 22.02.2021.

OFFICE ORDER

Subject: Implementation of suo motu disclosure under Section 4 of RTI Act, 2005 – reg

Section 4(1)(b) of the RTI Act lays down the information which should be disclosed by Public Authorities on a suo motu or proactive basis. Section 4(2) and Section 4(3) prescribe the method of dissemination of this information. The purpose of suo motu disclosures under Section 4 is to place large amount of information in public domain on a proactive basis to make the functioning of the Public Authorities more transparent and also to reduce the need for filing individual RTI applications.

1. Since the promulgation of the Act in 2005, large number of information relating to functioning of the government is being put on public domain. However, from the Reports submitted by various departments and offices under the Government of Mizoram and on checking the websites, it has come to the notice of Mizoram Information Commission that many public authorities have not done enough to provide basic information with regard to their functioning, etc. proactively as mandatorily obligated under Section 4(1)(b) of the RTI Act, 2005.
2. Despite several letters sent to the Chief Secretary, Government of Mizoram and recommendations of MIC in its Annual Reports, there are still many public authorities who have not designated Departmental Appellate Authority (DAA), State Public Information Officer (SPIO) and State Assistant Public Information Officer (SAPIO) in their respective departments. The officials so designated should be designated by their name and not by the post they hold. They should also display prominently the name and designation plate for easy identification and access by public.
3. Recently, MIC has carried out website checking of the departments under Government of Mizoram and it has been observed that while only a few departments regularly update their websites, majority of the departments are neglectful in this regard. On checking, it has been noticed that most of the departments have not adhered to Section 4(1)(b) of the RTI Act, 2005 despite the Act being in force for more than 15 years.
4. Henceforth, all public authorities under the State Government are instructed to comply with Section 4(1)(b) of the RTI Act, 2005 and compliance report of the same should be submitted to the Secretary, Mizoram Information Commission not later than

28.02.2022. On the spot checking will also be carried out by the officials of MIC after receipt of compliance reports.

*This is issued with the instruction and approval of the Chief Information Commissioner,
Mizoram Information Commission on 19.01.2022.*

**MINECO, KHATLA,

Case No. S.A. 151/2024 – MIC

Dated Aizawl, the 30th July 2024

*Benjamin Vanlalvena,
Luangmual, Aizawl*

...Appellant

Vs

...Respondent

*Zothansanga Ralte,
SPIO & Additional Secretary,
Mizoram Legislative Assembly
Secretariat.*

Relevant facts emerging from the appeal: -

RTI application filed on	: 21.02.2024
SPIO replied on	: 08.03.2024
First Appeal filed on	: 04.05.2024
DAA order made on	: NIL
Second Appeal received on	: 14.06.2024

ORDER

1. The appellant sought information as follows: -

“Please provide a list of all resolutions passed by the Mizoram Assembly in terms of Article 371G(a) of the Constitution.

Please also provide a copy of all such resolutions.”

2. The respondent State Public Information Officer (SPIO) furnished reply wherein he informed the appellant that the information sought for is bulky in nature and could not be provided and that it is available on their website. The respondent provided the link to the website.

3. Not satisfied with the reply received from the SPIO, the appellant preferred First Appeal wherein the Departmental Appellate Authority (DAA) did not take any action on the matter.

4. The appellant then preferred Second Appeal to Mizoram Information Commission (MIC) and summons were issued to both the parties to appear before the Chief Information Commissioner on 29.07.2024 at 01:00 PM. As scheduled, hearing was held in hybrid mode wherein the appellant appeared via Video Conferencing and the respondent, represented by Mr. Vanlalfamkima Sailo, Under Secretary, Mizoram Legislative Assembly appeared in person.

5. The appellant narrated his grievances and requested the Commission to help him get the required information as sought by him in his RTI application dated 21.02.2024.

6. The respondent SPIO explained that the reply given earlier was due to inaccurate understanding of the RTI query and that the information can be provided by them.

OBSERVATIONS: -

1. The respondent SPIO should have examined the details and nature of the information sought. He should have adequate knowledge of record management prevailing within the Public Authority. Also, while providing replies available in their website, he should mention the complete link for easy accessibility.

2. Deciding appeals is a quasi-judicial function as per the provisions laid down in the RTI Act, 2005. It is, therefore, necessary that the DAA should see to it that justice is not only done but it should also appear to have been done. In order to do so, the order passed by the DAA should be a speaking order giving justification for the decision arrived at. In this case, the DAA should have conducted hearing instead of remaining silent which is against the spirit of the RTI Act. Pi Vanlalthantlingi, DAA/Commissioner & Secretary is advised to be more mindful in handling RTI cases in future and see that hearing is conducted for every First Appeal received by her.

3. Both the respondent SPIO and DAA need to note that RTI applications/appeals are to be given due importance as prescribed by the Law.

DECISION: -

In view of the above, the Commission hereby directs that **Pu Zothansanga Ralte, SPIO/Additional Secretary, Mizoram Legislative Assembly** shall provide the information to the appellant, free of cost, not later than **05.08.2024 (Monday)** with a copy to Mizoram Information Commission.

The matter is hereby disposed of accordingly. Copy of the decision to be given free of cost to all the parties.

*Zairemthanga,

Relevant facts emerging from the appeal: -

RTI application filed on	: 17.04.2024
SPIO replied on	: NIL
First Appeal filed on	: 20.05.2024
DAA order made on	: NIL
Second Appeal received on	: 26.08.2024

ORDER

1. The appellant sought information via RTI Online portal as follows: -

“Advertisement no. 2 of 2023-2024 anga Driver (Provisional Employee) atana lak mi palite leh Panel list-a awm mekte marks hmuh dan kimchang min pe thei ang em?”

2. The respondent did not furnish any reply leading to the appellant preferring First Appeal to the Departmental Appellate Authority (DAA). Here, the DAA did not take any action on the matter.

3. The appellant then approached the Commission and summons were issued to both the parties to appear before the Chief Information Commissioner and Information Commissioner on 25.09.2024 (Wednesday) at 01:00 PM. As scheduled, hearing was held wherein both the appellant and the respondent appeared in person.

4. The respondent expressed regret for his own negligence, saying that the RTI application was overlooked since obtaining the necessary consent from third-parties took some time. Additionally, he apologized on behalf of their Director, who is not tech-savvy and frequently neglects to read messages that arrive on his phone. He also stated that the information is already compiled and could be provided.

5. The appellant stated that he would not have resorted to filing appeals if the SPIO had just informed him that he needed to get permission from third parties rather than remaining silent.

OBSERVATIONS:

1. The appellant was not given the information within the stipulated period not because it was withheld; rather, it took time to acquire consent from third-parties and further, it was also the result of the SPIO's negligence.

2. The Departmental Appellate Authority (DAA) plays a vital role in ensuring transparency and fairness under the RTI Act. In this case, the DAA's silence was inappropriate and contravened the RTI Act's spirit. A hearing should have been conducted to ensure a fair and informed decision.

3. Pu C. Lalnunkima, Departmental Appellate Authority & Director, Directorate of Information & Public Relations should have exercised greater diligence in handling RTI cases. Lack of technical expertise cannot justify inaction or inadequate responses.

DECISION:

In view of the above, the Commission, hereby, directs that **Pu Malsawmsanga, State Public Information Officer & Deputy Director, Directorate of Information & Public Relations** shall provide the information, free of cost, to the appellant not later than **27.09.2024 (Friday)** with a copy to Mizoram Information Commission.

“Mizoram Assembly Session hnukung ber (2024) a MLA tin te Sitting Allowance lak zat theuh leh kha session kaihnnawih thila TA/DA leh hamthatna dang eng pawh an lak zat theuh min hrilh turin ka ngen che a. 2. The State Public Information Officer (SPIO) replied as follows:
“Section 3 & 9 of the Mizoram Salaries, Allowances & Pension Member of the Legislative Assembly Act, 1999 (as amended uptodate) in a phalsak angin Assembly Session hnukung berah khan MLA 23-te hnenah Daily Allowance atan Rs. 24,000/- theuh, Bill No. 150101VN134277 of 17.5.2024 hmangin Committee Sitting Allowance nen bill pakhatah pek an ni a. 3. The appellant, not satisfied with the reply received from the SPIO preferred First Appeal as follows: -

“MLA 40 kan nei mek a, an vaia sitting allowance ka dil laia MLA 23 chauh min pe hi tih sual palh niin alang a. Chuvangin MLA 40 te allowance min pe turin ka ngen a che.

4. As the DAA did not take any action on the First Appeal, the appellant preferred Second Appeal to MIC. Summons were issued to both the parties to appear before the CIC and IC on 09.10.2024 at 01:00 PM. As scheduled, hearing was held wherein the appellant appeared in person and the respondent was represented by Pu Lalrinawma Sailo, Deputy Secretary.

5. The SPIO apologized on behalf of the DAA and stated that the reason for the non-response to the First Appeal was that they had neglected to check their phone or email. Along with the question posed in the First and Second Appeals, the SPIO brought printed copies of the responses to the initial RTI application. Since the payment information or confirmation of receipt by the MLAs are not available, the appellant was not satisfied with the replies.

6. The appellant made a request to the Commission in helping her get the required information.

OBSERVATIONS: -

1. Rather than giving vague answers, the SPIO should have provided information in accordance with the questions submitted in the RTI application.
2. Upon receipt of First Appeal, the DAA should have summoned all the parties involved in order to solve the problem and pass an order on the decision arrived at. Here, the DAA failed to respond to the First Appeal and did not take any action. This is against the spirit of the RTI Act. Pi Vanlalthantlingi, DAA/Commissioner & Secretary should have actively discharged her role/duty as envisaged by the RTI Act, 2005.

DECISION: -

In view of the above, this Commission hereby directs **the appellant Pi Lalremsangi Fanai to submit a fresh RTI application via RTI Online including details of committee sittings, allowances and copies of the bills, etc.**

Pu Zothansanga Ralte, SPIO & Additional Secretary, Mizoram Legislative Assembly Secretariat is also directed to provide a reply promptly without waiting for 30 days upon receipt of the appellant's RTI application with a copy to Mizoram Information Commission.

The matter is hereby disposed of accordingly. Copies of the decision to be given free of cost to all the parties.

ORDER

The Chief Information Commissioner and the Information Commissioner presided over the hearing.

Information sought

- 1. Detailed account of the Temporary certificate of identity issued to Myanmar nationals in Mizoram and Bangladesh nationals in Mizoram from the financial year of 2021-2022 to 2022-2023.*
- 2. Detailed account of biometric details collected from Myanmar nationals in Mizoram and Bangladesh nationals in Mizoram from the financial year of 2021-2022 to 2023-2024.*

Grounds for the Second Appeal

The State Public Information Officer (SPIO) denied the information under Section 8(1)(j) of the RTI Act and her First Appeal was rejected under Section 8(1)(a) & (j) of the RTI Act, 2005.

Relevant facts emerging during the hearing

The appellant was present through video conferencing. The respondent appeared in person.

Appellant's statement:

The appellant clarified that although she had asked for "Detailed account" of Temporary Identity Card and Biometric data of Myanmar and Bangladesh nationals, what she wanted is the anonymized cumulative/aggregate data only. She also stated that the information sought by her relates to the life or liberty of these foreign nationals, their health conditions, their quality of life, the treatment and assistance that are provided to them and how resources are allocated and utilized for their welfare, etc. The appellant also emphasized on the fact that the information she seeks is of significant public interest and crucial for transparency in governance.

Respondent's statement:

The respondent informed the Commission that since the appellant's RTI application made a request for "Detailed account" of refugees (displaced persons) in Mizoram, he denied the request as it would cause an unwarranted invasion of privacy of the individuals. However, upon learning that the appellant is satisfied with anonymized aggregate data, he believes there is no harm in furnishing the same.

The respondent also informed the Commission that biometric data of these foreign nationals is not collected; however, temporary identity certificates were issued by the concerned Deputy Commissioners.

OBSERVATIONS:

1. The aggregate data of the entry and stay of foreign Myanmar and Bangladesh nationals who had come to Mizoram as displaced persons/refugees are routinely announced by AIR & DDK and there should be no issue in furnishing such information to the appellant.

2. Biometric data has not been collected due to issues in the format for collection of the same.
3. The appellant's RTI application is perused and it is found that she clearly sought detailed information regarding these refugees. However, her clarification is heard and accepted.
4. The appellant requested the respondent to provide her, in writing, the fact that biometric data is not collected and only temporary identity certificates were issued. **The respondent shall comply with this request.**

DECISION:

In view of the above, **the Commission hereby directs that anonymized, cumulative aggregate data on the temporary identity certificate issued for the financial year 2021-2022 & 2022-2023 and anonymized, cumulative aggregate biometric data for 2021-2022 to 2023-2024, if collected, shall be provided by SPIO not later than 14.11.2024, free of cost, to the appellant with a copy to the Mizoram Information Commission.**

The appeal is disposed of accordingly. Copy of decision to be given, free of cost, to all parties.

Grounds for the Second Appeal

The State Public Information Officer (SPIO) did not furnish any reply and the information provided by the Departmental Appellate Authority (DAA) is incomplete.

Relevant facts emerging during the hearing

The appellant was absent but sent 2 (two) representatives viz Pu Obeda Muanzuala, Advocate and Pi Vanlalhruii, Advocate; they both appeared in person.

The respondent also appeared in person.

Both the appellant and the respondent gave their statements as below: -

Appellant's statement:

The SPIO did not give any reply within the 30 days as stipulated by the RTI Act. The information sought was a copy of LSC No 103701/01/615 of 2005 and upon submitting First Appeal, the information received from the DAA was incomplete.

The appellant also requested for the SPIO to be penalized as per the provisions of the Act.

Respondent's statement:

The respondent is aware of the information already given to the appellant by the DAA. He believes the reason for the appellant's claim that incomplete copy of the LSC was given may be due to the fact that the cover of the LSC, i.e., Summary of Land Holder and 3 (three) other documents were not included, namely: -

1. Certificate of Land Valuation.
2. Non-Encumbrance Certificate.
3. No Objection Certificate.

The respondent also made a mention of how he considers copies of LSCs as third-party information and that their department, now, acquires consent before disclosure of LSCs. However, in this case, as only a part of the whole has not been provided, he is willing to give the remaining documents.

OBSERVATIONS:

1. Pu R. Lalnghakliana, SPIO & Asst. Survey Officer's duty is not to furnish replies to RTI applications. Rather, upon receipt of RTI applications or First Appeals, he should immediately forward them to the SPIO or the DAA respectively. The SPIO is advised to acquaint himself of his role as SPIO as per the provisions of the RTI Act so that such error is not repeated in future.
2. Regarding the respondent's statement that LSC copies may be third-party information, it appears that prior to the incumbency of Pu Lalsanglura as SPIO, copies of LSCs were disclosed to information seekers without acquiring consent. It should be noted that change in SPIO should not affect the manner in which RTI application is disposed of. A proper policy needs to be established by their department in this regard.
3. The appellant's request for imposing penalty on the respondent is denied.
4. Upon receiving First Appeal, the DAA should have summoned the parties concerned and conducted a hearing in order to solve the issue and pass an order on the decision arrived at. If the DAA had done so, the appellant would not have needed to approach the Commission. The DAA's resolve in simply furnishing information to the respondent is against the spirit of the RTI Act. Pu V. Lalduhzuala, DAA & Director, Land Revenue & Settlement Department is advised to be more mindful in handling RTI cases in future and conduct hearing for every First Appeal received.
5. The respondent SPIO is willing and ready to furnish the documents.

DECISION:

In view of the above, the Commission hereby directs that **Pu Lalsanglura, SPIO & Settlement Officer, Land Revenue & Settlement Department shall provide complete copy of the desired LSC, free of cost, to the appellant latest by 08.11.2024 (Friday)** with a copy to Mizoram Information Commission.

The appeal is disposed of accordingly. Copy of decision to be given, free of cost, to all parties.

Date of decision	:	06.02.2025

ORDER

The Chief Information Commissioner Pu John Neihlaia and the Information Commissioner Pu Mangjangam Touthang presided over the hearing.

1. Information sought: -

1. *List of new addition of employees by Chakma Autonomous District Council (CADC) based on A/Nominal Roll submitted to your department since January 2022 to till date (April,2024). Kindly compile the list month wise.*
2. *All justification provided by CADC towards increase in salary deficit.*

2. The respondent State Public Information Officer (SPIO) viz Mr. James Lalrinchhana transferred the RTI application to the SPIO, Chakma Autonomous District Council (CADC) on 19.09.2024 i.e. after a lapse of almost 2 months (54 days). As no response was received from the SPIO, CADC, the appellant preferred First Appeal to the Departmental Appellate Authority (DAA), District Council & Minority Affairs (Secretariat) wherein the DAA did not take any action on the matter. It may be mentioned that the RTI Online portal facilitates an RTI application Transfer mechanism which the initial recipient SPIO did not utilize. Rather, a printout copy of the application was transferred to the SPIO, CADC. Further, the recipient SPIO did not transfer the application within the time stipulated under Section 6(3) of the RTI Act.

3. The appellant preferred Second Appeal to MIC on 18.01.2025. As the DAA remained silent on the matter summons were issued to both the appellant and respondent to appear before the Commission on 06.02.2025 (Thursday) at 02:00 PM. As scheduled, hearing was held wherein the respondent SPIO Mr. James Lalrinchhana appeared in person and the SPIO of CADC Mr. Buddhankur Chakma, Sr. FAO accompanied by Mr. B. Protimoy Chakma and Mr. Tupan Dijoy Chakma, both dealing assistants appeared via Video Conferencing. The appellant Mr. Udondi Chakma also appeared via V.C.

4. In the hearing, the appellant narrated his grievances for not being furnished information that he had sought during July 2024 and requested the Commission to help him in getting the required information.

5. In reply, the respondent SPIO Mr. James Lalrinchhana apologized for the lapse on his part for not transferring the RTI application within the stipulated time as per Section 6 (3) of the RTI Act, 2005. He also mentioned that several attempts were made by his department to provide the information. However, since it was considered as a huge task to compile and collate the reply as it pertains to a period of a 2 years and 4 months, the SPIO, CADC was requested on 24.01.2025 to expedite the matter but till date no reply has been received from him.

6. In reply, the SPIO/Sr. FAO, CADC informed that he did not receive the RTI application said to be transferred to their office as there are many SPIOs in CADC but mentioned that reply was sent to the appellant on 30.01.2025.

OBSERVATIONS:

After hearing both parties, the Commission observed the following: -

1. As per Section 6(3) of the RTI Act, 2005 Mr. James Lalrinchhana should have specifically transferred the RTI application to the SPIO, Finance department, CADC rather than simply addressing the SPIO, CADC if the information sought was not available with their department. He is informed to be more careful while dealing with RTI applications in future
2. Deciding appeals under the RTI Act, 2005 is a quasi-judicial function. It is, therefore, necessary that the DAA hears both the parties i.e. the appellant and respondent and should see to it that justice is not only done but it should also appear to have been done. In order to do so, the order passed by the DAA should be a speaking order giving justification for the decision arrived at. Mr Pronit Bikash Chakma, DAA, CADC should strictly adhere to Section 19 of the Act in future.

DECISION:

In view of the above, the Commission hereby directs that Mr. James Lalrinchhana, SPIO/Joint Secretary, DC&MA, being the administrative department shall provide whatever data is available in digital form, free of cost, to the appellant not later than 28.02.2025 (Friday). The same should be submitted to Mizoram Information Commission with Compliance report. Mr. Buddhangkar Chakma, SPIO/Sr FAO, CADC will extend full cooperation on the matter.

The appeal is disposed of accordingly. Copy of decision to be given, free of cost, to all parties.

Mizoram Legislative Assembly
Secretariat.*

ORDER

Mizoram Legislative Assembly (Secretariat) had conducted recruitment for 1 (one) post of Assistant in 2024. The appellant, Mr. Saiduhzuala, being one of the candidates submitted Several RTI applications to the SPIO/Additional Secretary, MLA (Sect.) seeking information on the marks obtained (written & interview), answer sheet, parentage, relationship with the Commissioner & Secretary of Mr. Vanlalthlanpuia who was selected for the post of Assistant. Most of the information sought was denied on the ground that it comes under exemption from disclosure under Section 8 (1) (j) and third-party information under Section 11(1) of the RTI Act, 2005. Being dissatisfied, the appellant submitted Second Appeal to this Commission with a request to take necessary action on the matter.

2. In the hearing, the appellant mentioned his dissatisfaction with the RTI replies received from the SPIO and DAA and said that the reason why he submitted all the RTI applications pertaining to this recruitment was because he wanted to know if there was transparency in the recruitment process.

3. In reply, the SPIO stated that they have provided whatever information could be given as per the provisions of the RTI Act, 2005 and for information relating to third party information, they had asked for the third party's consent to disclose his information in writing while the reply received from him was orally. He also mentioned that the appellant submitted more than 120 RTI applications which looks more like a harassment as some of the information sought appears to be already known by him. He also apprised the Commission that the appellant has submitted a complaint to Mizoram Lokayukta and the answer sheets of all the candidates have been seized by them.

4. After hearing both parties, the Commission observed the following: -

i. The appellant should keep in mind that RTI is a tool to get information only and not what to do after getting the information. It is also not about Grievance Redressal Mechanism or to solve problems. RTI should not be misused/abused as it can defeat the spirit of the right to know. He is advised to be careful in future while submitting RTI applications as SPIOs are not supposed to create information or to interpret information or to furnish replies to hypothetical questions.

ii. The SPIO should take note that the RTI Act provides access to all information that is available and existing. The Act does not cast an obligation upon the public authority to collect or collate such non available information and then furnish it to an applicant. He is also not required to furnish information which require drawing of inferences and/or making of assumptions.

iii. For every First Appeal received, the DAA, being vested with quasi-judicial powers, should hear both the parties viz appellant and respondent. The DAA, shall in every case inform the date of hearing at least seven (7) clear days before the date fixed. Order of the DAA shall be pronounced in open court and be in writing duly authenticated by the DAA for this purpose. Mrs. Vanlalthantlingi is informed to strictly adhere to the relevant positions of the RTI Act for every First Appeal received by her in future.

5. The Supreme Court in the case of CBSE and Anr. Vs. Aditya Bandopadhyay held that an examining body does not hold the evaluated answer books in a fiduciary relationship. Not being information available to an examining body in its fiduciary relationship, the exemption under Section 8 (1) (e) is not available to the examining bodies with reference to evaluated answer-books. As no other exemption under Section 8 is available in respect of evaluated answer books, the examining bodies will have to permit inspection sought by the examinees.

6. The Chhattisgarh High Court in **Kewal Singh Gautam v State of Chhattisgarh & Ors**, AIR 2011 Chh 143, examined whether this information could be personal information of anybody and held:

“14. In so far as the other reason for rejection of the application, invoking the provision contained in Section 8 (1) (j) of the Act of 2005, that the information sought relates to personal information, the disclosure of which has no relationship to any public activity or interest or would cause unwarranted invasion of the privacy of the individual is concerned, the same is equally misconceived in law and deserves rejection. In a case where such personal information has relationship to any public activity or interest, exemption could not be claimed.... Moreover, this Court has no hesitation in saying that the conduct of examination in the present case by the departmental agency for the purposes of promotion from lower rank to higher rank in Govt. department, are not private activities, but in public domain... It also cannot be said that said disclosure of information would cause unwarranted invasion of the privacy of some individual. The checking and evaluation of answer sheet by an examiner and the marks given by him upon assessment of performance has nothing to do with the privacy of either the examiner or those who are responsible for conducting the examination.”

7. The Commission rejects the contention of the respondent authority as the information sought is neither personal nor held in fiduciary capacity by the respondent authority. Any information relating to transfer, recruitment, promotion and placement falls under the category of official activities and as per the Office Memorandum no. 1/34/2013-IR dated 29.06.2015 by Ministry of Personnel, Public Grievances and Pensions, Department of Personnel and Training, such information should be published on the official website under Section 4(1)(b) of RTI Act.

8. The Central Information Commission vide order no. CIC/EPFOG/A/2018/614958 Shailendra Kumar Singh Vs PIO, EPFO has stated that answer-sheets of four co-employees who qualified for promotion while the appellant remained at number 5, are not their personal information, nor do they qualify to be their confidential reports, nor that they could be treated as information relating to fiduciary relationship. The defences put forward by UPSC and CBSE that disclosure of such information would result in choking system etc are not available to this respondent authority because, the candidates who appeared for this promotion qualification examination were around 3000 and answer-sheets sought were about four qualified candidates who got promotion.

DECISION:

In view of the circumstances, the Commission hereby directs that Mr. Zothansanga, SPIO/Additional Secretary shall provide certified copies of the answer sheet of Mr. Vanlalthlanpuia to the appellant, free of cost, as and when the same is returned from Mizoram Lokayukta, since examination for government jobs is considered a public activity carried out in public interest. He shall then submit compliance report to Mizoram Information Commission.

With regard to the other information sought viz relationship of the Commissioner & Secretary and Superintendent, Mizoram Legislative Assembly Mr. C. Remsanga with Mr. Vanlalthlanpuia, the SPIO shall provide information to the appellant on or before 25.02.2025 (Tuesday) with compliance report to this Commission.

The appeal is disposed of accordingly. Copy of decision to be given, free of cost, to all parties.

ORDER

1. The appellant filed an RTI application on 29.02.2024 seeking a copy of the declaration of moveable and immovable assets by Umacharan Chakma (Junior Engineer) as mandated under Chapter – XII, Section 43 of the Mizoram Lok Ayukta Act, 2014. Since he did not get any reply from the SPIO, he preferred First Appeal on 02.02.2024 to the Departmental Appellate Authority (DAA). As the DAA did not take any action on the matter, he approached this Commission by preferring Second Appeal. Hearing was held on 14.06.2024 wherein both the appellant and respondent appeared via Video Conferencing. The Commission order dated 14.06.2024 directed the respondent to provide the information by obtaining the information sought from the concerned public authority and furnish it to the appellant, free of cost, not later than 21.06.2024 with a copy to Mizoram Information Commission. The basis on which this decision was made (point no. 3 of MIC's order) is reproduced as under: -

As per the Mizoram Lokayukta (Amendment) Act 2024 (notified on 15.03.2024), **“Section 43 of the Principal Act shall be substituted by the following, namely: -**
43. On and from the date of commencement of this Act, every public servant shall make a declaration of his assets and liabilities in such form and manner as may be prescribed.” Therefore, it appears that publishing of declaration of assets on the websites of departments by 31st August of that year as mandated in Section 43(6) of the Mizoram Lokayukta Act, 2014 is no longer required after the amendment became effective. However, as on the 29.02.2024, the date of the RTI application, the

amended Section 43 was still in effect as in the Principal Act 2014 and the SPIO should have furnished the information or at least transfer the application to the authority holding the information with intimation to the RTI applicant.

2. On 08.07.2024, MIC received a letter dt. 21.06.2024 from the SPIO stating that the copy is not available in the public domain as it is filed by the individual through his own personal login ID and password into the SPARTAN reporting system provided by Vigilance Department, Government of Mizoram. In reply, he was informed by MIC on 11.07.2024 that PHED Secretariat is the cadre controlling authority of Group B (NG) officials and take necessary action for obtaining the copy of declaration of moveable and immoveable asset of Mr. Umaman Chakma within 15 (fifteen) days of the receipt of MIC's letter. A copy of Vigilance's notification no. C. 31013/1/2018-VIG dt. 14.09.2023 and O.M. no. C.31013/1/2018-VOG dt. 29.09.2023 was also enclosed in the letter.

3. In the meantime, the appellant informed this Commission that despite MIC's order dated 14.06.2024, the SPIO has not supplied him the required information and requested to take necessary action against him. Vide letter no. W.11011/1/2022-EE (LTP)/54 dt. 10.12.2024, the SPIO had written a letter to the Secretary, PHED, Government of Mizoram to provide a copy of the record of declaration of moveable and immoveable assets of Umacharan Chakma for onward submission to the appellant. The Under Secretary (A) PHED sent to MIC a copy of the declaration of the assets of the abovementioned official vide letter no.F.13011/1/2014-PHE/Pt dated 11.12.2024.

4. Vide Memo. No. S.A. 148/2024 dt. 20.12.2024, Show Cause Notice was issued to the respondent for non-compliance of MIC's order. In reply, the respondent vide No.W.11011/1/2022-EE (LTP)/57 dt. 08.01.2025 apologized for the lapse on his part and mentioned that since the information sought was not in his possession there was an inordinate delay in following up the matter with the Secretariat as he is stationed at Lawngtlai and there was a lot of pressure on account of his work and site visits to remote locations and the delay in providing the information was without any malafide intent.

5. The SPIO was given an opportunity to explain and justify his non-compliance of specific direction/order of the Commission by hearing him in person on 06.02.2025. The SPIO apologized for his lapses and requested for leniency and also promised that such non-compliance of specific directions of the Commission should not be repeated.

6. In view of the circumstances, since the interest of justice demands imposition of penalty on the respondent for his wilful disobedience and violation of the provisions of the RTI Act, 2005 and as the Commission considers non-compliance of its specific directions is deliberate obstruction to the flow of information under the RTI Act which warrants imposition of maximum penalty. However, the Commission takes a lenient view, as the SPIO being a field officer and posted at a remote location having site visits at regular intervals in far flung areas, and also as this is the first instance where he has failed to comply this Commission's order, **imposes a penalty of Rs 5,000/- (Rupees five thousand) only** on Er. Netralal Jaisi, SPIO & Sr. EE, PHED, EE, Lawngtlai WATSAN Division.

The amount shall be deposited by way of Treasury Challan to the following head of accounts not later than 28.02.2025 (Friday) with a copy to Mizoram Information Commission.

0070 - Other Administrative Services
60 - Other Services

The case is disposed of accordingly. Copy of decision to be given, free of cost, to all parties.
